"Qualified Postproduction" Facility means a permanent facility where Pennsylvania postproduction activities are conducted and expenses are incurred to which all of the following apply: 1. The facility is located in this commonwealth					
2. The facility is approved by the department					
3. The facility employs at least ten full-time employees who reside in the commonwealth					
4. There is at least \$500,000 of capital investment in the facility.					
Proof will need to be provided to the Department for all listed above categories.					
Owner of facility is in good standing with federal, state, and local obligations, and is in compliance with all federal, state and local laws, statute, regulation or rules to which it is subject.					
Lessee of facility is in good standing with federal, state, and local obligations, and is in compliance with all federal, state and local laws, statute, regulation or rules to which it is subject.					
Lessor of facility is in good standing with federal, state, and local obligations, and is in compliance with all federal, state and local laws, statute, regulation or rules to which it is subject.					
I understand that the Department of Community and Economic Development must approved that this facility meets all requirements of a "Qualified Postproduction Facility" prior to a film production company receiving an additional tax credit.					
☐ I agree to provide the Department of Community and Economic Development with any additional materials and allow a site visit, if deemed necessary, to verify that the facility meets all requirements to qualify as a "Qualified Postproduction Facility." This includes but is not limited to proof of ownership, as well a building inspection report verifying the above identified criteria as requested.					
☐ I certify, under penalties of perjury, that the statements and information contained in this Affidavit are complete, true, and correct to the best of my knowledge and belief.
