Section I – Introduction

A. Statement of Purpose

The First Industries Loan Guarantee Program (the “program”) provides loan guarantees to nonprofit organizations and for-profit business enterprises to undertake projects relating to the promotion and development of agriculture and tourism within Pennsylvania. The program is administered by the Commonwealth Financing Authority (“CFA”) and by the Department of Community and Economic Development (“DCED”).

B. Eligible Activities

Agriculture – Agriculture and agriculture-related projects include all of the following:

1. Production agriculture, which is the production of farm commodities or farming. Farm commodities include: agricultural, horticultural, aquacultural, vegetable, fruit and floricultural products; livestock and meats; wools; hides; furs; poultry and eggs; dairy products; nuts; mushrooms; honey products; and forest products.
2. Agribusiness (for example, food processing).
3. The sale of farm commodities at wholesale.
4. The sale of farm commodities at retail by urban and rural supermarkets located in underserved areas. Supermarkets are retail stores operated on a self-service basis, primarily selling groceries, produce, meat, baked goods and dairy products. Convenience stores do not qualify as supermarkets. Underserved area is defined as a low or moderate income census tract, an area of below average supermarket density or an area having a supermarket customer base with more than 50% living in a low income census tract or other area demonstrated to have significant access limitations due to travel distance as determined by the CFA.
5. Farmers’ markets.
6. Energy-related activities impacting production agriculture or agribusiness.
7. Activities which implement best management practices related to agricultural waste, waste products and byproducts, or fertilizer.

Tourism – Tourism is defined as an activity which promotes or encourages individuals to travel to a location within this commonwealth for pleasure. For purposes of the program, tourism-related projects include all of, but not limited to, the following:

1. Destination sites located in Pennsylvania, including but not limited to historic, heritage, cultural, sporting, amusement, nature, outdoor recreational, or retail venues.
2. Hospitality establishments, including lodging and restaurants, retail establishments, and outdoor activity-based businesses in close geographic proximity to a Pennsylvania destination site or part of the marketing effort that targets a Pennsylvania destination site.
3. Businesses that develop and market travel packages for the purpose of bringing out of state visitors into Pennsylvania to enjoy attractions and stay in overnight, paid accommodations.
4. Public/private partnerships formed to enhance or optimize the use of commonwealth owned resources such as state-owned parks, state game lands, and museums.
5. Tourism related activities or events that promote overnight visits in Pennsylvania.
6. Other projects or activities as determined by the CFA.

Section II – Loan Guarantees

A. Eligible Applicants

An eligible applicant for a loan guarantee may be a for-profit business enterprise (including a corporation, limited liability company, sole proprietor, cooperative or partnership), or a non-profit organization that is engaged in tourism-related or agriculture-related activities as defined by these guidelines and is obtaining a loan from a commercial lending institution or a community development financial institution (both referred to as “lending institution” in these guidelines). A lending institution may also apply for a loan guarantee on behalf of a borrower. A lending institution enrolled in the program may submit an application for a guarantee of a loan for the asset financing needs of an agriculture-related organization. The guarantee may in no case be used to support working capital lines of credit or the refinancing of existing debt. Utilization of First Industries loan guarantees is limited to projects in which the commonwealth or any authority of the commonwealth is not providing matching financing to the loan the CFA is being asked to guarantee.

B. Enrollment of Lending Institutions

A commercial lending institution is a federally chartered or state chartered bank, savings bank, savings and loan association or farm credit system institution under the Farm Credit Act of 1971 (Public Law 92-181, 85 STAT. 583) which has a satisfactory rating from its primary regulator, which is engaged in commercial lending activities, and which operates at least one full-service branch for deposit gathering and lending located within the commonwealth. A farm credit system institution need not offer deposit services to qualify as a commercial lending institution.

A community development financial institution is certified in accordance with the Community Development Banking and Financial Institutions Act of 1994 (Public Law 103-325, 108 Stat 2163).

Lending institutions that want to participate in the loan guarantee program may enroll with the CFA prior to the submission of any loan guarantee applications. To enroll in the program, a lending institution must submit a request for enrollment to the CFA which contains the following information:

1. The name and address of the lending institution.
2. The name, title and address of the person who will serve as the point of contact for the lending institution with regard to loan guarantee applications.
3. A description of the lending activities presently engaged in by the lending institution that involve agriculture or agriculture-related projects or tourism or tourism-related projects and how the institution proposes to use the loan guarantee program to supplement or expand those lending activities.

Enrollment requests should be sent to:

The First Industries Loan Guarantee Program
Commonwealth Financing Authority
Commonwealth Keystone Building
400 North Street, 4th Floor
Harrisburg, PA 17120-0225

If the information provided is satisfactory to the CFA, the lending institution may be enrolled for the loan guarantee program. Upon accepting a lending institution for enrollment, the CFA will execute a master guarantee agreement in favor of the lending institution. At a minimum, the master guarantee agreement will provide for the following:

1. The procedure for the submission of a claim for payment by the lending institution. The lending institution will be required to demonstrate that it has exhausted all available remedies against the borrower and other guarantors and that it has liquidated collateral securing the loan before it may obtain a payment under the master guarantee agreement.
2. A requirement that the lending institution refund to the CFA a percentage of any recovery obtained by the institution after a payment has been made under the master guarantee agreement by the CFA.
3. Periodic reporting by the lending institution regarding itself and the loans for which guarantee certificates have been issued.

C. Application Process

To apply for a guarantee, the applicant must submit an application to the CFA that includes all of the following information:

1. The name and address of the applicant. If the applicant is not the borrower, the name and address of the borrower.
2. If the borrower is an individual or a for-profit business, the type of business the borrower conducts, the location of the business, and the names and addresses of the principals of the borrower. If the borrower is a nonprofit organization, the type of activity carried out by the borrower, and the names and addresses of the officers of the borrower.

Principals include individuals having a 20% or greater ownership interest in the business.

3. A description of the project to be funded by the loan, including a statement of the anticipated economic impact to the commonwealth and the host municipality as a result of the project, a detailed statement of the total project cost, the impact, if any, on prime farmland, and the estimated number of jobs to be retained/created, if any.
4. A description of all sources of financing for the project, including terms, conditions, and collateral or other security required for the loan which is the proposed subject of the guarantee. A copy of the lending institution's commitment letter and/or term sheet must be included.
5. A copy of the borrower's last two years of financial statements prepared or reported on by an independent certified public accountant.
6. The amount of the loan guarantee being requested.
7. If the applicant is a lending institution that is not enrolled with the CFA, the applicant must submit all of the information required for enrollment, as specified in Section IV.B. above.
8. Any other information required by the board.

1. That the project is a tourism or tourism-related project or an agriculture or agriculture-related project and at least \$500,000 of private funds will be invested in the project.
2. That the value of the proposed collateral for the loan is sufficient to cover the full amount of the loan.

An eligible project will receive priority consideration if it demonstrates one or more of the following:

E. Award and Issuance of Guarantee Certificates

Upon being satisfied that all requirements have been met, the CFA may approve the loan guarantee. The total amount of the guarantee may not exceed 50% of the outstanding principal amount of the lending institution loan or \$2,500,000 at any point in time, whichever is less. **For agricultural projects only:** A guarantee of 51% to 90% of the principal amount of the loan may be awarded by the board. The guarantee shall be subject to a one-time fee of 2% of the amount of the loan multiplied by the percentage of the guarantee.

If the loan is made by an enrolled lending institution, the CFA will issue a guarantee certificate subject to the terms and conditions of the master guarantee agreement already executed in favor of the lending institution.

If the loan is made by a lending institution not enrolled with the CFA, the CFA will first execute a master guarantee agreement with the lending institution, in form and substance as described in Section IV.B. above, and then issue a guarantee certificate for the specific loan. Following execution of the master guarantee agreement, the lending institution will be considered to be enrolled in the program for any future guarantee applications.
