

DCED CENTRAL REGIONAL OFFICE

INVESTING IN COMMUNITIES TO WORK SMART AND LIVE HAPPY.

WE'RE HERE TO SUPPORT YOU

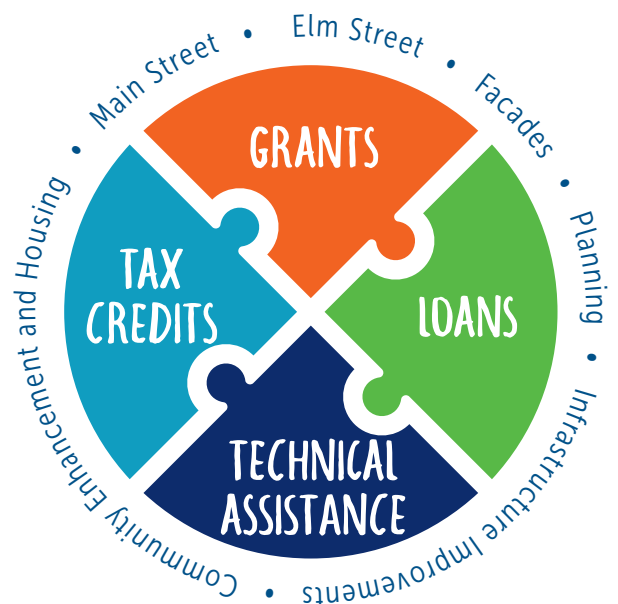

The Department of Community & Economic Development's regional offices are the first point of contact for local agencies and municipalities regarding economic development programs. We're invested in enhancing the quality of life for all Pennsylvanians through the revitalization of our cities and boroughs.

Our department provides technical assistance to local and regional agencies relating to planning, implementation, funding opportunities, grant applications, and project management.

HOW WE CAN HELP

Our team is ready to work with communities and local governments by helping them find the programs and support they need to improve life for their citizens. DCED's regional offices are prepared to:

- ✓ **SUPPORT YOUR PROJECT**
From the planning stages through implementation and close out, our team of experts can offer advice and project management services
- ✓ **ASSIST WITH PREPARING APPLICATIONS**
For grants and other types of funding opportunities
- ✓ **IDENTIFY PROGRAMS AND RESOURCES**
To help your local community achieve its redevelopment and revitalization goals

FIND THE RIGHT COMMUNITY ENHANCEMENT PROGRAMS

Need help finding the program that's right for your business or community, or assistance navigating the application process? We can guide you through grant and tax credit projects and application processes. Read more about our most in-demand programs below.

Keystone Communities (KC)

The Keystone Communities (KC) program is a flexible tool in community and economic development for a variety of uses, including planning activities, façade grant programs, accessible housing programs, and development grants. Designed to encourage the creation of partnerships between the public and private sectors that jointly support local initiatives, the program allows communities to tailor the assistance to meet the needs of their specific revitalization effort. dced.pa.gov/KC

Neighborhood Assistance Program (NAP)

The Neighborhood Assistance Program (NAP) is an incentive program that provides tax credits to private companies investing in rehabilitating, expanding, or improving buildings or land located within designated enterprise zones. dced.pa.gov/NAP

NAP Enterprise Zone Program (NAP EZP)

The NAP Enterprise Zone Program is an incentive program that provides tax credits to private companies investing in rehabilitating, expanding, or improving buildings or land located within designated enterprise zones. dced.pa.gov/NAPEZP

“The Pennsylvania Department of Community and Economic Development has been the indispensable partner that has allowed our organization to succeed in its mission of community renewal within economically depressed areas of the city of Lancaster. Through the Neighborhood Assistance Program and the Keystone Opportunity Program our organization has been able to build 60 new townhouses for sale to first time home buyers. PDCED investments in our neighborhood economic development efforts have allowed us to bring a community credit union into the community.”
