 Project Summary Form

Section I – Introduction

The PA Race Horse Development and Gaming Act (Act 2004-71) as amended has established the Pennsylvania Gaming Local Share Account (LSA) program to be administered by the Department of Community and Economic Development (DCED) for the purpose of distributing portions of the local share assessment on certain licensed gaming facilities to support and enhance community and economic well-being.

Section II – Eligibility

A. Eligible Applicant

- The Redevelopment Authority of the County of Fayette (RACF)

B. Eligible Uses of Funds

1. **Economic Development Projects:** Projects that promote local economic activity and create and/or retain jobs.
2. **Community Improvement Projects:** Projects that improve or create civic, cultural, or recreational activities or facilities.
3. **Projects in the Public Interest:** Projects that improve the quality of life in the affected communities.

Section III – Local Process

DCED has approved a local, county-based review process for projects eligible for LSA funding. RACF will publish local program application guidelines and schedules which adhere to all statutory and DCED requirements. Project applications will be submitted to RACF for review and evaluation in conjunction with the Fayette County LSA Steering Committee. Funding recommendations will be submitted by RACF to DCED for final review, approval, and funding no later than November 30th of each year.

Section IV – Program Requirements

- A. Projects may not commence prior to DCED approval. Project costs incurred prior to approval are ineligible for payment with LSA funds and may make a project ineligible for consideration.
- B. Funds may not be used for refinancing or reducing existing debt or obligation.
- C. The competitiveness of proposed LSA projects will be reviewed by conducting a quantitative analysis based on the following criteria:
 - economic impact;
 - economic conditions of the region where the project is located;
 - level of private sector investment leveraged;
 - contribution of the project to the reuse of Brownfields, previously used, or underutilized sites;
 - local financial support;
 - project readiness;
 - strategic importance;
 - financial need; and
 - projected timeline for project commencement and completion.
- D. Administrative costs to include advertising, legal and audit costs, and documented staff expenses to administer the grant (to include administrative costs of the sub-grantee) are eligible, but shall not exceed 5% of the total grant award.

Section V – Application Procedures

- A. RACF must submit the on-line Department of Community and Economic Development Electronic Single Application for Assistance located at www.esa.dced.state.pa.us. Required supplemental information (Appendix I) must be attached electronically to the application as directed on the Addenda tab. For technical inquiries regarding the submission of the on-line application, contact the Customer Service Center at (800) 379-7448 or (717) 787-3405.
- B. RACF will submit a completed Project Summary Form, Appendix I, for each project proposed for funding.
- C. DCED will determine the eligibility of proposed projects through a review of each Project Summary Form.

Section VI – Procedure for Accessing Funds

Upon approval of an application by DCED, a grant agreement and commitment letter will be issued electronically to RACF explaining the terms and conditions of the grant. The grant agreement and commitment letter must be electronically signed within 45 days or the offer may be withdrawn by DCED. RACF will execute agreements with all sub-grantees for approved projects.

An executed grant agreement between RACF and DCED is required prior to disbursement of grant funds. RACF may request advance payment in quarterly intervals on a form provided by DCED which outlines the anticipated costs for the upcoming 90 days, funds expended in the prior 90 days, and all funds held by RACF. RACF must maintain full records to include contracts, bid tabulations, invoices and other documentation verifying costs incurred for each project. Requests for payment require 4-8 weeks for processing. If the full amount of the grant is not required for the project, the unused portion of the grant will be liquidated and the funds will be considered in the next round of LSA Fayette County funding.

Note: RACF or sub-grantees may not make or authorize any substantial change in an approved project without first obtaining consent of DCED in writing.

Section VII – Miscellaneous Program Requirements

- A. **Conflicts of Interest** – An officer, director, or employee of an applicant who is a party to or who has a private interest in a project shall disclose the nature and extent of the interest to the governing body of the applicant and may not vote on any action of the applicant concerning the project, nor participate in the deliberations of the applicant concerning the project.
