BUILDING FISCALLY STRONG COMMUNITIES

GOVERNOR'S CENTER FOR LOCAL GOVERNMENT SERVICES

The mission of the Governor's Center for Local Government Services is to provide a full range of vital programs, training, and services to resolve problems at the local level.

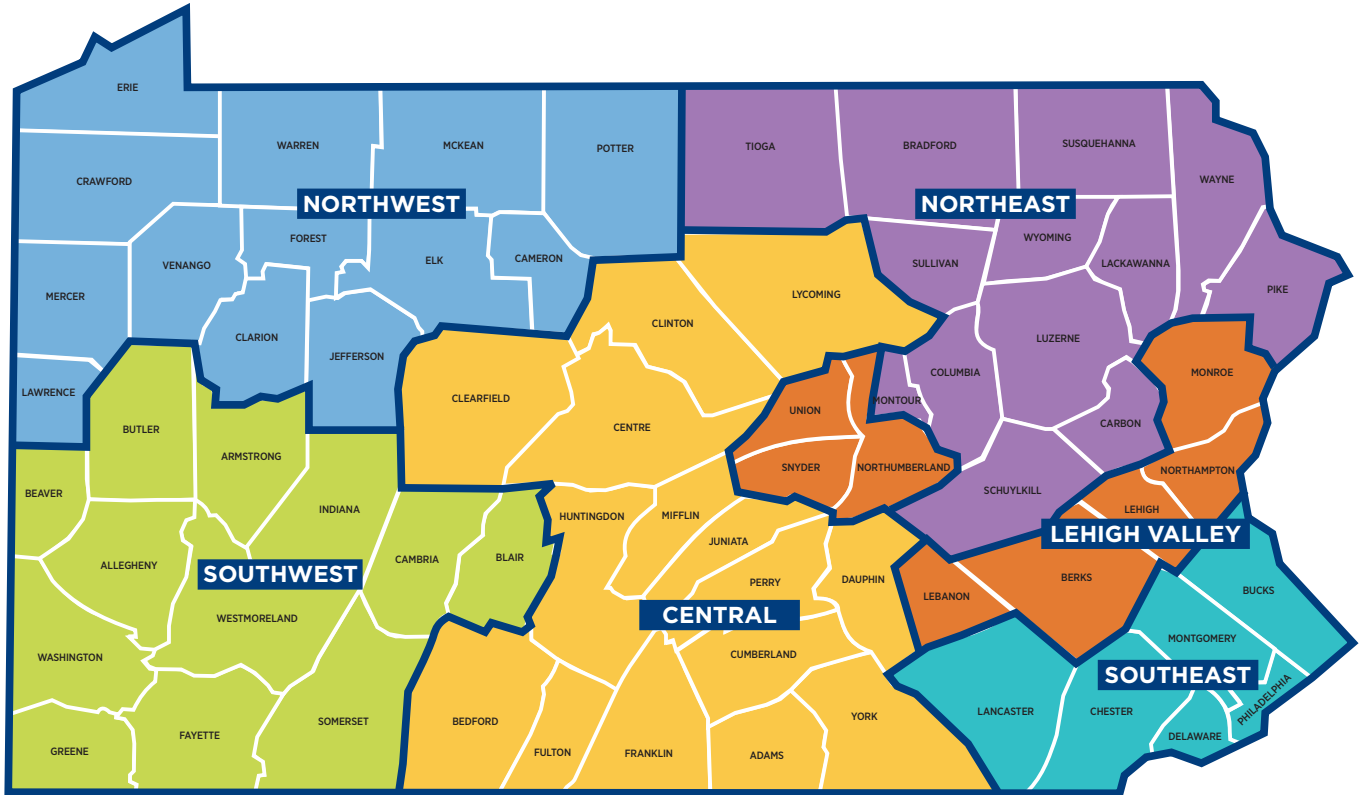

STRATEGIC MANAGEMENT PLANNING PROGRAM

The Governor's Center for Local Government Services offers the Strategic Management Planning Program (STMP) to provide guidance for municipalities interested in an improved fiscal position. Financial assistance is available for the development and implementation of multiyear financial management plans. The goal of the STMP is to promote management best practices to promote the financial stability of municipalities and ultimately avert fiscal distress.

The STMP provides local governments with grants up to \$200,000 for 50 percent of the total project costs to develop and implement multi-year financial management programs and strategies. Applicants must provide the remaining 50 percent match.
